

# AT HOME IN THE VALLEY...

## MRV AFFORDABLE HOUSING TALK SERIES

The provision of safe, stable, affordable housing is a key component of a healthy community. Currently, the supply of affordable housing in the Mad River Valley does not meet the demand. Creating more affordable housing options is a crucial part of keeping our community diverse and intact, allowing all to find or keep their home in this special place. **JOIN US** in 5-week virtual talk series as we examine affordable housing opportunities in the Mad River Valley and learn about potential paths for sustainable and equitable housing development.

**6:30PM - Wednesdays, Sept. 30th - Oct 28th**
